Subject: National Negotiations

Re: Section 6 Notice

TO: ALL IAM&AW TRAVELING ROADWAY MECHANICS SUBJECT TO NATIONAL FREIGHT
AGREEMENT

Dear Sirs and Brothers:

I want to take this opportunity to thank each and every member that took the time to complete a survey form and to let me know what your desires were for the present Section 6 Notice to contain.

I want you to know that I took all of them home on a weekend and personally read every one of the completed surveys. Therefore, when preparing the Section 6 Notice, I took into consideration many of your ideas and comments and incorporated them into the Notice, as I believe the Notice reflects.

Kindly find enclosed a copy of the IAM&AW Section 6 Notice that will be served on the Carriers subject to National handling today for your review. Also, I have enclosed a copy of the Carriers Section 6 Notice for your review.

We have scheduled the first National Bargaining session for 10:00 am on Tuesday, January 19, 2010 in Washington, DC.

I again want to thank you for your input and your support and to let you know we will keep you up to date as our negotiations progress.

Sincerely and fraternally yours,

Joe R. Duncan
